**DEPARTMENT ACTION ON APPLICATION
IN DOCKET OST-2001-9752 - 2**

(Joint Application of American Airlines, Inc., and Eva Airways
Corporation filed May 24, 2001)

Approved under assigned authority (14 CFR §385.13).

Date of Action: July 6, 2001

Director, Office of International Aviation

This action is subject to the conditions attached. Persons entitled to petition the Department for review of this action under the Department's regulations, 14 CFR §385.30, should file their petitions within ten days of the date of this action. This action is effective immediately, and the filing of a petition for review will not alter its effectiveness.

**Joint Application of American Airlines, Inc. and Eva Airways
Corporation for Blanket Statements of Authorization under Part 212
(Open Skies Code-share Operations)
Docket OST-2001-9752**

The authority granted is subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) American and Eva Airways continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.
- (b) American and/or Eva Airways must promptly notify the Department (Office of International Aviation) if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating any or all of the approved code-share services.¹ (Such notice should be filed in Docket OST-2001-9752)
- (c) American and/or Eva Airways must notify the Department no later than 30 days before they begin any new-code service under the code-share services authorized here. Such notice shall identify the market(s) to be served, which carrier will be operating the aircraft in the code-share market added, and the date on which the service will begin. Such notices should be filed in Docket OST-2001-9752.
- (d) The code-sharing operations conducted under this authority must comply with 14 CFR Part 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.* the carrier shown on the ticket) accept responsibility for the entirety of the code share journey for all obligations established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected. Further, the operating carrier shall not permit the code of its U.S. air carrier code-sharing partner to be carried on any flights that enter, depart, or transit the airspace of any area for whose airspace the Federal Aviation Administration has issued a flight prohibition.
- (e) The authority to operate to third countries subject to the condition that any service provided under the statement of authorization shall be consistent with all applicable agreements between the United States and the foreign countries involved. Furthermore, (i) nothing in the award in this blanket statement of authorization should be construed as conferring upon American rights (including code-share, fifth-freedom intermediate and/or beyond rights) to serve markets where U.S. carrier rights are limited unless American notifies the Department of its intent to serve such a market and unless and until the Department has completed any necessary carrier selection procedures to determine which carrier(s) should be authorized to exercise such rights; and (ii) should there be a request by any carrier to use the limited-entry route rights that are included in American's authority by virtue of the blanket statement of authorization granted here, but that are not being used by American, the holding of such authority will not be considered as providing any preference for American in a competitive carrier selection proceeding to determine which carrier(s) should be entitled to use the authority at issue.²
- (f) The authority granted here is specifically conditioned so that neither American nor Eva Airways shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

We may amend, modify, or revoke the authority granted at any time without hearing at our discretion.
